We are the sister duo behind Coates Photography. We hope you are excited and inspired as you embark on your journey to plan the perfect day! As you begin your search we encourage you to find vendors that become friends and help you create memories that put a smile on your face everyday. We are not just there to “get the job done” but celebrate this wonderful event with you as well. That is what we aim to do. Once we are your photographers we are officially a team. As members of your team we’ve got you covered! We are going to help you tell your love story through images. In order to give you a well rounded and versatile gallery, we take both a traditional and journalistic approach. Our goal is that your wedding photos not only document your day but show and most importantly make everyone feel all the love that got you there. We collaborate with our couples to ensure their styles and personalities shine through. After all, what are friends for?!

We hope this is step one to becoming a part of your wedding team.

KENNEDY & CONOR

We were thrilled to have had Amber and Brittany be our lovely photographers for our wedding. Weddings can be overwhelming and they were there to guide us through the entire process. From the engagement shoot, to parties and our wedding day the girls always made us feel comfortable and enjoy ourselves. Amber and Brittany are friendly, energetic, and talented professionals but most of all they added to the great overall experiences we were having. We could not have been happier with how all of our photos turned out and are so glad we get to cherish those memories forever. Amber and Brittany thank you! Love The Gages

DEB & JAMIE

We were so lucky to have Amber and Britt as our wedding photographers. From the day I met them at a wedding show, I knew their energy and kindness were exactly what I needed on my wedding day. My husband and I loved their quick communication and attention to details in the planning process all the way to our wedding day. Our photos are so beautiful and captured everything we wanted. We had so many personal touches and Coates made sure these were all present in our photos to love for years to come. We could frame them all!! Thank you Coates for your amazing personal touch. Love Jamie, Deb, Cam and Griffin

CARLY & STEVE

When wedding planning , every couple has a vision of how the day will look and feel . It's important to choose a photographer(s) that share that same vision, and that's exactly what we got using Coates Photography. We had our engagement photos done as well. That initial meeting was magic. We felt at ease , they made it fun, and most importantly, we fell in love with the photos.

They were prompt on communication, worked with our schedules and made the whole experience memorable. We highly recommend Coates Photography! -Carly & Steve

“I hope it’s okay if I love you forever”.

Frequently Asked Questions

HOW MANY PHOTO'S WILL I RECEIVE OF MY WEDDING DAY?

This will be based on the collection you booked. Collection One would include approximately 300-400 images. Collection Two would include approximately 400-500 images. The Elopement Collection would include a minimum of 200 images.

WHAT IS YOUR PAYMENT STRUCTURE?

We require a \$500 non-refundable deposit to secure your date. Payments can be made via e-transfer or by credit card. We are flexible with payment schedules. Some couples prefer to pay in segments, while others prefer to pay all at once. As long as the total balance is paid 30 days prior to the wedding date, you are good to go!

WHAT IF WE NEED YOU TO STAY LONGER THEN EXPECTED?

We never book multiple shoots in one day so this would not be a problem! We do not count down the minutes while shooting so no need to stress if its a little extra time. If you will require us to stay significantly longer we charge an hourly rate of \$250 (this includes both photographers).

Frequently Asked Questions

DO LOCATION PERMITS COST EXTRA?

Yes. Many choose to shoot formals on the venues grounds. Most venues include the use of their property in the venue fees. If you would like to shoot at a location that requires a permit fee, this would be an additional cost. If you are unsure if your desired location requires a permit, we are happy to look into this on your behalf. Of course, we can also suggest locations to best meet your needs.

HOW DO WE RECEIVE OUR PHOTOS?

You will receive your images via an online gallery and USB. The gallery will be shareable so you are able to send it to an unlimited amount of friends and family. Your photos will all be high-resolution jpegs. This will allow you to make gorgeous prints in various sizes.

WE DON'T SEE A PACKAGE THAT SUITS US. WILL YOU CUSTOMIZE PACKAGES?

Yes! If you do not see a package that meets your needs, please reach out and we would be happy to discuss a custom package.

HOW FAR WILL YOU TRAVEL?

We are always up for an adventure! If you think we might be the right photographers for you, let us know your location and we can go from there.

Thank you!

We hope this has given you a good glimpse of what working with us would look like! Your wedding day will be one of the most important days of your life and we do not take the responsibility of documenting it lightly. We are always more than happy to schedule a consultation if you would like to chat more in depth. Whichever direction your wedding journey takes you, we truly hope it is nothing short of perfect.
